On Saturday, May 15th, we are holding a special FREE event in New Jersey, that you will not want to miss.

It's called...

[The Secret to Personal Transformation](#) with author and human performance expert Mary Miller

Mary will show you how EXACTLY how you've become the person you are. According to Mary, you are made up of distinct electromagnetic pathways. And these pathways either direct you to where you want to be OR in many cases they are leading you astray into one challenge after another. These pathways guide all your decisions. The good news is that Mary can show you step-by-step, how to re-direct any pathway, to give you whatever result you want. And it all happens in one day only!

At *The Secret to Personal Transformation*, you will learn...

- How to break through poverty consciousness and release your inner millionaire!
- How to feel good enough about yourself to take the necessary steps to conquer destructive addictions like drugs, cigarettes, unhealthy relationships and alcohol!
- How to get over ANY fear – such as starting a new business or new relationship!
- How to get out of a destructive relationship FAST!
- How to breakthrough fears of heights, snakes, public speaking or anything else!
- How to get your electromagnetic pathways flowing correctly! (*This topic is beyond fascinating*)
- How to release blame that you harbor for others, as well as blame you have for yourself!
- How to break repetitive behavior patterns like having one bad relationship after another!

- How to break through patterns like unemployment or underemployment!
- How to get out of your shell and become a respected, independent leader!
- How to get energy flowing through every part of your body!
- How to determine your life's mission!

And much more!

In fact, Mary Miller will also show you how you've been brainwashed by family, friends, the media, teachers and other people throughout your past and don't even know it. Once you know this, your life will change instantly.

Did you know that you are reacting to old words and patterns and don't even realize it? These words and patterns are working behind the scenes, keeping you from living your life to the fullest. Did you know you react to how people look? Did you know that you react to music you hear on the radio? These references are also working behind the scenes causing you to react in ways that may not be in your best interest. When you learn these two things alone, you will never look at your life the same way.

You will also take part in demonstrations and hands-on exercises that will produce immediate results for you. Results will happen instantly – not in months, weeks or days – INSTANTLY! You will go from reactive to proactive in everything you do.

In case you are not familiar with Mary Miller...

She is the author of four books including *End of Beginnings*, *It's All About Relationships*, *It's All About Sex: What Drives Your Sexual Engine* and *Caught In The Act of Helping*. Miller is also the CEO of her own company called *I Ching Systems*. Mary also speaks to hundreds of thousands of people every year worldwide and her personal coaching clientele reads like a who's who!

Miller was personally handpicked by the *Global Information Network Council* to appear at this special, exclusive, one-time FREE event. Usually Mary Miller charges thousands of dollars to attend her events. YOU have the opportunity to attend FREE as a *Global Information Network* member. Don't miss this opportunity.
